Index to Wallaces' Farmer and Iowa Homestead

Volume 74 — JANUARY TO DECEMBER, 1949, INCLUSIVE — Numbers 1 to 24

General Index

AAA figure corn bases, how will, 354
office, can get crib or bin loans at, 944
ACP program about same as 1948, 161
sign-up starts this month, 161
APF, can farmer buy, 1074
explained by Damon Catron, 310
feeds, pigs grow faster on, 1218
hogs gain faster with, 397
in grass, 1219
necessary only for hogs and poultry, 1284
what is, 1218
Accident, are you asking for, 394
farm, 309
hazards can be eliminated, 470
if you are in an, 32
Accidents, corn picker, 1240
farm, main causes of, 166
haying, 802
Acreage allotments, 1950 may see, 130
Aerial sprayers' conference to be held Jan. 26-27, 22
sprayers and dusters association, Iowa, meets Jan. 26-27, 95
Agriculture's interest in U. S. aid to other countries, 318
Ak-Sar-Ben dairy show, 929
livestock show, 1010
show, 600 at, 1251
Alcohol gas, 931
Alert, be, don't get hurt, 1189
Alfalfa and alsike clover will be most plentiful legume seeds next spring, 1401
brome good pig pasture, 437
brome in long-term rotations boosts corn yield, 348
brome in long-term rotations provides more feed, 348
can ewes pasture on, 281
coarse or fine, makes little difference when fed to pigs, 10
crop, early cutting of second, saves leaves and protein, 793
fall seeding of, three important things in, 892
fall seeding of, tips on, 802
for clover next spring, substitute, 1338
gets stemmy, 793
hay protein content highest before bloom stage, 705
land needs rotation, 1058
late mowing of, likely to reduce yields, 992
meal can be made at home, 946
meal replaces pasture in brood sow's winter ration, 120
meal to brood sows after breeding, give, 1445
meal valuable part of ration of brood sow, 1340
needs more moisture than corn or other grass crops, 1058
or sweet clover, don't use 2,4-D on, 1437
pellets don't blow away, 206
roots clog tile, will, 321
seed, more, 617
seed production sets new record this year, 1295
seed supplies above last year, 1423
seeding of 12 pounds per acre places about 60 seeds on square foot, 268
stunted, may be suffering from Boron, 946
varieties that winter kill in Iowa, 188
will replace clover stands when sown during August, 892
yields being boosted, 617
Aluminum good, if used right, 399
American Farm Bureau Federation convention, 1423
American Royal, Iowans make clean sweep of Shorthorn purples at, 1314
Royal Livestock show, October 15-22, 1173
Anaplasmosis, drug helping control, 1248
Anderson, Paul, successfully turns farmer, 1400
Andre, Doctor Floyd, replaces Dean H. H. Kildee, 624
Anemia preventive for little pigs, 268
Angus breeder dies, 1320
breeders meet, 859
field day, 1035
man dies, 1468
Animal protein factor, 194
protein factor a combination of vitamins, 311
Animals, grain-eating, on Iowa farms, 316
kindness to animals, pays big dividends, 238
Ankeny field station, 209
Anti-freeze cheap insurance against cracked engine block, 1284
Apples, ideal temperature and humidity for, 1401
Argentina, down in, 340
Arnold, Floyd, named director of American Dairy Science Association, 923
Artificial breeding group, start cooperative testing plan, 124
Assessor, how's new county, 420
township versus county, 420
Atoms, tagged, give fertilizer facts, 20
Award for soil conservation activities won by Robert Smith, 1441
scholarship, won by Clair Hein, 1441
scholarship, won by Dwight Nelson, 1441
winner in Iowa dress revue won by Evelyn Hoopes, 1441
Balers were hungry, 518
Bang's disease from cows, hogs do not take, 705
disease, map fight against, 475
disease may cause cow to lose calf, 1210
disease, one cow in ten will recover from, 1210
disease one disease you can get from hogs, 10
disease responsible for undulant fever in people, 1445
disease, ring test for, 705
disease to sows, boars may give, 992
germs, do tests show, 93
vaccination helps stop, 508
Bankruptcy or crop controls, 1440
Banks, Federal Land, returned dividends to National Farm Loan Associations, 243
Barn cleaner that more than paid for itself, 1354
high-pockets, built by J. C. Beatty, 522
horse, converted into corn crib (sketch), 546
is no good, if, change it, 546
labor saving, for milk cows, 651
useful, spends $10 for, 272
Barns, big, have tendency to be drafty, 1401
drafty, calves and pigs get sick in, 1401
were full at Spencer, 1170
Barrow show, Minnesota state spring, 166
show, Minnesota state spring, date of, 316
show, Minnesota state spring, date of, 392
show, Minnesota state spring, place and date of, 243
show, national, 787
show, national, 929
show, national, Austin, Minnesota, 767
show, Poland wins in, 423
show, quality is stressed in, 1068
Barrows, judge, new way, 1377
light, win at Albert Lea, 468
Bathrooms in farm homes, 166
Beans, seed, popular varieties of, 466
Bearings in farm machinery should be filled with grease, 1150
Bedding, best, for any kind of livestock, 1338
chopped, 844
old hog, can be used to bed cattle sheds, 1445
Beef, baby, girl shows top, 1072
breeders from five states parade entries, 1056
cattle show at fair will give Iowans competition, 912
and hog prices held up thru September, why, 1208
judging at fair, schedule for, 912
men point for Iowa fair, 912
more, good grass makes, 798
producers association, Iowa, 1949 officers of, 316
show, all-Iowa adds, 480
show, junior, girls win, 1453
Bee-keeper's short course, Iowa, date of, 585
Beeves, baby, they like to feed, 1398
Bennett, A. H., champion in machine corn picking contest, 1359
Berkshires, lightweight, top prize winners at International, 1446
Bever, Clifford, has a debt-free farm, 696
Bin heating destroys germination of oats, 342
Bin room, extra, can pay dividends after corn storage need is over, 1058
Bindweed, 2,4-D will kill, 311
Bins and cribs, need, 689
old, filled again, 1117
Birdsfoot clicks with blue gress, 365
trefoil grows on soils too poor or too acid for sweet clover or alfalfa, 54
trefoil rates high, 1248
Blizzards come, they'll be ready when, 1393
Bloat in cattle, practices which help prevent, 626
remedies do not make cattle safe on legume pastures, 576
Blue grass and corn need rotation including legumes, 10
grass seed production higher this year, 923
grass state, Iowa a top, 741
grass yield of feed increased by mowing weeds, 746
Boar, points to consider in selection of a (sketch), 1338
Bolts and nails combined make strong wood joint, 891
Bond drive, opportunity, bonds bought during, 973
sales, U. S. Savings, dropped last year, 243
U. S. Savings, Iowa set new record in purchase of, 467
Bonus, soldiers', governor says pay half of, 122
Book, account, makes things easier at income tax time, 1338
Bookkeeping, farm, can be easy, 1356
farm, easier, steps which make, 1356
Books and bulletins,
income tax bulletin, 18
can farmers afford to live better, 29
running water for your farm home, 29
can farmers afford to live better? 52
free income tax booklet, 90
income tax information and federal account book, 93
future food and agriculture policy, 114
fertilizer pamphlet, 186
social security pamphlet for farmers by NPA, 346
chemical control of corn borers, ISC, 352
chemical weed control, ISC, 352
corn and corn growing, 448
the farmer and wildlife, 544
corn and corn growing (correction), 549
weed bulletin (Iowa Department of Agriculture), 802
the American soldier, 936
household pests, 1157
combination account book and income tax information, 1338
production and welfare of agriculture, 1438
future food and agriculture policy, 1438
midwest farm handbook, 1464
farm record, save time and money, 10
Borer control up to you, 685
corn, chemicals surest way to protect corn from, 352
losses, farmers check, 1350
chemical control of, necessary, 1291
do, how much damage did, 1350
have dropped a lot of ears this fall, 1193
in 1949, when to spray for, 64
Iowa's, had good winter, 628
next year, what about, 1291
protect your corn from, 352
second-brood, when necessary to treat for, 64
spraying for, is success if, 1408
what to do about, 1193
when corn should be treated for best control of, 64
Brannan's farm price support plan, support urged for, 1173
Brannan farm program headed toward a rough fight, 589
plan as insurance against sharp drop, 814
plan brings comments, 804
plan touches you, where, 578
you vote on, 937
Bread rationing, live under, 392
Breed cows in February for late November calves, 120
not easy to, for fast gains, 838
sows in February for June pigs, 120
Breeders field day, 784
Breeding, artificial, increases, 473
pen, advantages of, 1340
stock, fast growing animals should be selected for, 494
stock taxable, is sale of, 91
Broiler output continues at high level, 1292
profits not as good as year ago, 1292
Brome seed crop, high profits from, 397
Brown, Carroll, winner of ten acre corn contest, 166
Brown Swiss association, Iowa state, officers of, 22
Brucellosis, group to fight, 855
swine, can infect humans, 783
swine, causes big losses to hog raisers, 783
and swine erysipelas have some of same symptoms, 626
swine, is dangerous, 783
Bruises on livestock, you can cut down on, 1125
Brush doesn't make good forage, 444
Brushy areas, suggested rules for using 2,4-D on, 48
Bryson, Harry L., named field service director for American Farm Bureau, 923
Buckets, calf, for handy feeding (sketch), 188
Bugs in grain, how to detect, 1210
watch, don't sit back and, 834
and weevils in grain, how to kill, 1210
Build, if you plan to, inspect similar buildings, 992
Building repairs, don't postpone, 1451
Buildings, farm, can be made rigid with glued joints, 120
Bulbs, heat, should be kept out of reach of sow, 268
Bull or boar will pass on ability to make fast gains, 992
Bulls, winning, name, 1196
Bus, school, when you ride a, 112
Butter and cheese production last year down sharply from 1947, 1423
and lard lose ground, 60
made from filthy cream condemned, 520
output, creamery, lowest since 1927, 1423
Byram, Burns, accepted position with E.I.A.B.A., 243
CCC is short on storage, 944
legislation, Brannan asks for, 278
Cables, electric, stop pipe freezing, 1411
Calf care, winter, 103
development, important factors in, 1244
feeding for best growth mighty important, 1276
Calves, beef, test winter feed for, 136
fatten, suggests three ways to, 443
good, make good cows, 1244
Camp for Iowa 4-H and rural youth groups, 923
Camp out at the fair, you can, 924
Camps, summer, Iowa rural youth district, 678
Canada thistle is tough, 628
thistles in oats, seeding-time for, 746
Cans, rusty, reduce quality of milk or cream, 1284
Capital assets rule, sales of farm property which qualify under, 266
Capper, Arthur, given gold medal by AFBF, 22
Carbon tetrachloride-ethylene dichloride mixture recommended for killing bugs and weevils, 1210
recommended for killing bugs and weevils in grain, 1210
Carburetor, bad adjustment of, wastes gasoline, 1210
tractor, adjust, to save cash, 587
Carcass grading has advantages, 512
CARE, new idea of, 94
Cash came from, farm, sources where (sketch), 432
Castrating and docking lambs, easier method of, 645
pigs, settle dust before, 705
Cattle bawl continuously, investigate if, 802
beef, higher than hogs next few years, 342
carload, fat, grand champion, shown by Karl and Jack Hoffman, 166
cob-fed, make cheap gains, 698
corn needed per head to fatten, 1210
fattening, suggestions for keeping up fast gains of, 1338
feed, are you planning to, 1062
feeder, cheaper in fall than spring, 1210
feeder, Iowa farmers bought 5 per cent more, 243
feeder, need rest after long trip, 1150
feeders bought fifty per cent more cattle, 1295
feeders' day, 678
gains per acre on pasture as high as 300 to 400 pounds, 890
high quality, usually bring best prices in summer months, 54
if you feed, this winter, 1214
in-shipments to Iowa, feeder, during November, 1454
low-quality, usually bring best prices in spring months, 54
more, will head for spring market, 1292
new, should be separate from other cattle, 1058
numbers on feed down, 577
on feed at all-time high, 118
on full feed in 24 hours, 1044
on full feed of corn, corn and cob meal make least trouble starting, 1401
on grain, more Iowa, 582
outlook for, 60
plain grades of, spring market usually best for, 1338
price, high, on shaky ground, 1361
price level to be lower, expect, 342
prices, feeder, general business trend holds key to, 1050
profits, keys to, 798
profits will come from feeding skill, 1214
shipments into Iowa, feeder, 1365
show, a great, 1442
show, some big winners at, 1056
shows, hot, at American Royal, 1314
well-finished, marketed this spring, plenty of, 674
Cement, lumpy, one condition under which you can use, 494
Cheese output below 1947, 1423
Chemicals can be used for drying grain, 746
for killing bugs and weevils, 1210
helping control pests, 210
many new, in war against insects, 210
new, for fly control, 889
new, prove valuable in fight against insects, 882
surest way to protect corn from borers, 352
Chicken meat supplies at high point, 1212
and turkey prices, further drop seems likely, 577
Chickens, farmers raising more, than February 1 report, 674
sold for meat not favorable for profits, 1011
Chicks, don't short-change, 341
fewer, little pigs will die, 194
Chinch bug threat, 329
bugs, toxaphene effective on, 524
Chlordane for hoppers, how much, 399
milk cows, shouldn't mix, 473
and toxaphene, grasshopper poisons, 890
or toxaphene treated forage crops should not be fed to milk cows, 802
Cholera breaks due to new virus, 1396
outbreaks, hog, increased in 1948, 626
vaccination, hog, with double treatment, value of, 626
virus, co-ops can sell, 496
virus, hog, new kind of, 1342
Chopper, field, chops up straw for bedding, 844
field, helped speed up silage making, 1000
Chores make your money, 413
with your hogs, how long does it take to do, 1346
Choring make money, does, 41
Chute, loading, portable, 185
Cistern, want clear water in, 504
Clean conditions in livestock yards prevents diseases, 890
Clean up, paint up, fix up, 470
Clean-up, spring, 521
Clinton still a good oat, 1066
Clods formed for every cow track in wet field, 342
Clover, alfalfa and alsike, will be most plentiful legume seeds next spring, 1401
or alfalfa, late grazing of, makes winter killing more likely, 1058
or alfalfa seed, highest-priced, won't live thru winter, 188
or alfalfa seed, unadapted, can lose money and labor buying, 1401
red, second-crop, should be left for seed, 802
seed, high-priced, calls for better practices at seeding time, 268
seeding of 7½ pounds means 52 seeds per square foot, 268
seedlings, spring freeze will kill, 436
sowed with oats will make good green manure crop, 342
stand, suggestion for getting, 515
stands lost in oat fields can be replaced by alfalfa, 892
sweet, benefits of late fall plowing of, 1058
sweet, makes good silage, 766
weevil, how to kill, 436
yield lower following beans, 1169
Cob-fed cattle make cheap gains, 698
Cobs, ton of, feeds steer four months, 636
Cockerels for early sale, push, 856
Cocklebur cutting time earlier than usual, 890
can poison pigs, 711
Cold-frame, how to make a, 398
College enrollment down from last year's record, Iowa State College, 1173
Combine or binder repairs should be ordered, 705
and corn picker for needed parts, check, 946
Commodity Credit Corporation operated at loss, 1295
outlook in a nutshell, 500
Concrete can make you money, 950
floor for hog feed-lot, 1425
Congress in snarl on farm bill, 886
Conservation, start, by contouring, 388
Contouring gives more profit, 624
helpful suggestions for, 388
of row crops pays big dividends, 642
start conservation by, 388
Co-ops left doing booming business, 49
Co-ops?, shipping, what's happened to, 49
Copper sulfate or blue vitriol will clear clogged sewers, 1210
Counties winning awards at Iowa Farm Bureau meeting, 1454
County committee ran everything, if, 278
extension director in Marion county, 548
extension directors, four, start farming, 316
Cow, dairy, giving two gallons of milk per day, amount of grain for, 705
loses calf prematurely, probable cause if, 1210
and sow money only half taxable, court says, 1282
Cows are junk collectors, some, 838
bred July Fourth calve about April 12, 802
cooperative protection testing plan for, 124
fed while milked adds sediment to the milk, 268
future, need good start, 1276
in United States continue to decline, number of, 1141
Iowa dairy, production record lowest since 1937, 166
it pays to raise your own, 640
let milk down faster when udders and teats are washed with warm chlorine water, 10
milk, after freshening, should be put on feed gradually, 268
milk, chlordane shouldn't mix, 473
milk, need concentrates on pasture, 557
milk, won't settle, 1169
need grain, 942
need grain now, 933
still need grain, 557
tested, Fayette wants more, 124
Cream clean, suggestions for keeping, 520
market, dirt can ruin your, 520
Creameries Association convention, Iowa, 973
Association convention, Iowa, October 21-22, 1173
Creamery Operators Association convention, October 21-22, 1173
Creep-feeding pigs, recommended method for, 512
Creeping Jennie, to distinguish Wild Morning Glory from, 836
Crib and bin loans at AAA office, 797
or bin loans at AAA office, can get, 944
and bin loans for resealing, 758
and bin space, more, needed on farms, 985
building, government to encourage, 700
cost, difference between market and a loan will pay, 257
free, corn, you can get a, 257
widths for sealing corn (map), 1121
Cribbing, picket, for temporary silo, 956
Cribs, more, 201
where get 758
Crop controls or bankruptcy, 1440
CROP drive, 1949, gets under way November 6, 1293
Crop insurance, expand, 469
insurance, federal, a financial success, 95
CROP rounded up $630,000 in cash, grain and other products, 166
Crop supports stay at 90 per cent of parity, 1449
Crops, bumper, a short cut to, 622
good, requirements for, 622
growing, farmers report cost of, 228
row, Iowa farm land in, per cent of, 242
Crossing of beef breeds produced animals of good beef quality and rapid growth, 120
Crusts are thicker and harder because soil has lost humus, 494
softer, more grass and fewer acres of grain crops make, 494
Cultivator shank or beam almost impossible to repair, 705
Cultivation, deep, bad for corn, 746
Curvin, W. H., ideas for saving work, 621
Cut-worm bait, poisoned mash for, 666
Cut-worms damage garden in May, 666

Corn

Corn acreage can be reduced if corn is always on sod land, 54
acreage control failed to reduce livestock production, 702
acreage reduction has double purpose, 703
acres are cut, what happens when, 702
acres count, should 1949, 384
acres, Iowa, in millions (chart), 1333
acres, more, in hard times, 1333
acres out of, if you take, 1394
acres this year, won't limit, 130
acres, U. S., in millions (chart), 1333
bases, how will AAA figure, 354
be dried, can, 418
beats beans in acre return, 568
beats oats for rushing pigs to market weights, 836

best time to harrow, as it comes thru ground, 626
better hybrid, is on the way, 198
and blue grass need rotation including legumes, 10
book on, tells how to breed, grow, sell or feed it, 448
borer control, 693
borer control, kind of equipment for, 64
borer control, materials recommended for, 64
borer cost 103 million, 437
borer damage calls for early husking, 992
borer damage, experience given pointers to avoid, 564
borer damage, four points for controlling, 565
borer damage in Iowa worse than any other part of country, 1454
borer damage, one way to cut down, 1058
borer damaged fields, pick corn early in, 1150
borer eggs most likely on biggest corn, 746
borer eggs, most likely place to find, 746
borer infestation spread in Iowa (map), 1336
borer infestation survey, fall (map), 1291
borer killers shown in exhibits at fair, 1060
borer moths, how to reduce number of, 342
borer problem, too, Illinois faces, 1336
borer, stages of, 576
borers, April survey shows high infestation of, 628
borers, be alert for second-brood, 834
borers, biggest damage from, 1150
borers don't like soybeans, 568
borers, help pick time to spray, 190
borers, how Illinois fights, 564
borers, ideal time to start treatment for, 765
borers in 1950, plan what to do about, 1350
borers, method of killing, 436
borers, things to remember in treating second brood of, 834
breeders grow better hybrids, 198
brood sows and gilts get too fat on, 910
by, lay, points good corn growers go by to, 756
by, lay, when weeds start, 756
and cob meal give least trouble when starting cattle on full feed of corn, 1401
cobs, ground, for hog bedding, 1150
cobs, ground, keep farrowing pens dry, 268
cobs, ground, make good bed for livestock and poultry, 54
cobs, ground, mixture for spraying, 10
cobs, ground, roughage ration for cattle, 746
cobs, ground, treated for insect control, good material for insulating, 10
cobs, old, can be used for bedding, 1445
cobs spread on fields carry plant food and organic matter, 54
contest, ten acre, 166
contour, how kill weeds in, 694
cool August needed for, 868
crib free, you can get a, 257
crib, old horse barn converted into, 546
crib and silo, inspect your, 424
crib ventilators, how to insert, 580
cribbed, take moisture test before shelling to reseal, 1058
cribs, how to pay for, 342
cribs, time to build temporary, 268
crop, big, feeder cattle demand greatest when, 902
crop, big, stage set for, 832
crop, final figure on Iowa's 1948, 22
crop insurance, expand, 526
crop, Iowa's 1949, driest since 1930, 1454
crop, new, is dry and heavy, 1285
crop, 1949, seal or feed, 899
crops in past, how and wet Junes have been followed by good, 832
crops, what makes big, 737
cultivation, good job of, two points of importance in, 705
deep cultivation bad for, 746
down, hogs or sheep do best job on, 1284
dropped to 70 cents, if (poll), 492
early-husked, must be drier than late-husked corn, 1150
ears, dropped, gave Iowa farmers another rush job, 1269
eligible for loans or purchase agreements must be properly sheltered, 54
export of, 166
fair price for, 492
far ahead, early-season heat put, 868
fee on, 1295
fewer acres might grow more, 67
field be replanted, method for determining if, 626
field should be replanted, method for determining if, 626
fields, brood sows can do best job of cleaning up, 1338
fields, hog-tight, will save lot of corn borer damage, 1150
fields need early picking, some, 1132
finding a place for, 1216
from borers, protect your, 352
gleaners miss one bushel in four, 1365
going to market, feeders snap up dribble of, 1389
on ground, got, 1193
on ground, millions of bushels of, 1265
growers in 1948 Iowa 10-acre yield contest, 316
has lowest moisture content in ten years, 1285
have acreage allotments, will, 1296
have to go, before you'd vote quotas how low would, 492

shipments may hit peak in next two months, 1195
support prices for last year, 1043
Hogs, average support prices on, U. S., for Nov., Dec. and Jan., 1335
congress refused to provide production payments on, 1123
eggs and dairy products, come out for production payments on, 1335
going in light this fall, 1043
going to market at about same weight, 1391
government buying of pork will not hold up price of, 259
lardy, will probably stay cheap, 1439
now 104 per cent of parity, 619
per thousand persons, 386, 867
year ago, 112 per cent of parity, 619
Hospital, Honolulu navy, could accommodate all service men, 47
Hospitals, mental, too much economy in Iowa's, 259
Improvements, some tenants pay special cash rent for, 619
Income, farm cash, 1949, ten per cent under 1948, 563
farm, national, down, 1335
from farm marketing, cash, 1391
Iowa farm, for first nine months of 1949, 1335
retirement, buy U. S. Savings Bonds for, 491
Incomes, personal, determine food buying, 1123
Industries, American, which have highest domestic wages, 795
Isotope, radio-active, of phosphorus, 827
Land, farm, buyers of, paying less down, 415
values for U. S. 175 per cent of 1912, 827
values in Iowa only 154 per cent of 1912 figure, 827
Lard and heavy hogs look better, sharp increase in oil and fat exports make, 111
a victim of improving peace prospects, 183
exports off, 339
Lease notification act may be turned down, 415
Limestone, in 1948 Clinton county spread the most, 1043
Loan to help farm, how does young farmer get, 7
Loans on oats, 1949, will be 70 per cent of parity, 415
Mash, laying, dropped almost 17 per cent in price, 739
Meat for everybody, 619
and milk buying fell off while strikes were on, 1391
Metals from abroad, U. S. may need to stock-pile, 1335
Military men, according to Hoover commission, lack "sense of cost consciousness," 7
Milk consumption in Great Britain, 619
drank in 1949, less, 1439
in summer, don't children need, 739
production per cow is high, why, 111
Moisture, farmers would like more, 1391
Money, can't make, by waiting for price to rise, 259
worried about, 339
Mortgages 20- and 30-year, trying to turn 5-year mortgages into, 691
Nobel Peace prize went to John Boyd Orr, 1271
Nourse, Dr. E. G., resigned as head of President's economic council, 1271
Oat acreage about same as last year, 415
Parity defined, 827
farm products little above, 491
income, how to get 100 per cent of, 183
on farm income is a problem, how to get, 183
Pasture improvement program for 1950, start, 939
Paved, more feed-lots will be, 339
Payrolls and employment expected to pick up, 339
Peace conference, now is time for another, 1195
Pension wanted by steel workers, 1123
Pig crop, fall, looks good, 1271
Pigs, early, this is year to push, 259
early, will make money, 183
fall, push along fast, 1123
farrowed this year, likely to be more, 415
June, Iowa has more, 867
Population, farm, has gone down, 827
Pork consumed per person in 1946 and 1932, 1271
exports increased, 619
freezer space lined up for storing, 1043
to consumers, advertising to sell greater use of, 1271
Potato acreage allotments down, 1391
program costs around 225 million dollars, 1195
support price for 1950 is 60 per cent of parity, 1391
surplus cost to the government, 1043
Poultry house, overcrowded, flock will die down to right size in, 1335
Price level going down says economist, 491
supports flexible, AAA committeemen wanted to keep, 259
Prices, farm product, 103 per cent of parity, 827
on things farmers buy went down 1 per cent, 619
paid farmers went down 11 per cent, 619
stick, support, don't know how to make, 111
Pricing, forward, provided by new farm law, 1271
Pullet, allow three to four square feet for each, 1335
Rail rates for livestock higher in 1949 than in 1947, 939
Rainfall record, Colorado June, 827
will be normal, prediction is that, 795
Refrigerators, electric, in Iowa farm homes, 1439
Research in agricultural colleges, don't get stingy with, 183
is bound to waste money, 183
pays big dividends, 259
Russia may get scared into war, 415
School stop sign, auto drivers should halt at, 1391
Seeds, grass and legume, stock up on, 7
Social Security Act, farmers not under, 691
security for farm labor, A.F.B.F. came out for, 1335
Soil conservation, big dams need lot of help from, 939
conservation commissioners should have expenses paid, 47
conservation men urging change in state law, 47
fertility, number of acres in pasture to build up, 1335
Sows, bred, one reason for holding on to, 111
Soybean acreage, Iowa, may be down, 415
demand, shortage of protein feed may help, 1439
Soybeans to go under new grading standards, 939
Spending, consumer, about as high as year ago, 795
Strike, coal or steel, could upset things, 1123
situation affects hog prices, 1271
Strikes caused meat and milk buying to fall off, 1391
hit farmers hard, 1195
Support price of 90 per cent, disadvantages of, 47
price of 90 per cent would pile up surpluses, 47
prices for hogs last year, 1043
Supports, flexible from 72 to 90 per cent not sufficient, 47
2,4-D will kill late-starting weeds, 827
Tanks missing, 9,000, 7

Tax, Iowa, on old corn under seal, 987
Taxes in March, paying, slows down business, 491
Trade in Europe, East-West, can ease troubles, 183
Unemployment increases, if, more public works may be ordered, 795
  insurance has helped support buying of foods, 795
  rising a little, 111
Veterans get state bonuses, 259
Vitamin B-12 helps pigs and chickens grow, 563
Wage boosts, lower food prices and unemployed reduce chances of, 491
War with Russia too seriously, don't take present talk about, 939
Water drinkable, stock, keep, 1439
  for stock on your farm, have plenty of, 867
  system, farm, get plans ready for, 259
Weather, farmer has to figure on, 7
Weeds, good spring to kill, 691
  kill, late-starting, 827
  may need a second shot of spray, 795
Wet season, what to look for if we have a, 339
Wheat ceiling last year was 82, 739
  export price is under loan price, 183
  growers may be able to sell abroad in 1950-1954, 739
  loans, farmers who overplant won't get, 1391
  planted, more, than allowed in federal allotments, 1391
  price offered, maximum and minimum, 183

Insemination, has trouble with, 588
Jowl swellings, injuries may cause, 143
Kittens shake, then die, 906
Lambs, fall, breeding suggestions for, 753
Lame, hens go, but stay on feed, 906
Leucosis or range paralysis may cause lameness in hens, 906
Lumber, his cattle eat, 709
Mange, hog, what strength BHC for, 447
Mastitis germs like dirty barns, 395
  give up herd with, 673
Milk fever, prize cow gets, 1077
  is thick and clotted, why, 502
Mineral deficiency may cause depraved appetite in hogs, 588
Necro, no sure cure for, 235
Newcastle disease, vaccinate flock to guard against, 1299
Oil hurt or help hogs, will, 906
Overeating disease in lambs, 1378
Phosphorus, lack of, may cause depraved appetite in cows, 588
Pigs die, whole litters of, 709
  have red eyes and bellies, 234
  old, infect new crop, 1077
Pimples on teats won't heal, 235
Pinkeye, what to do for, 447
Poison danger in sweet clover, some, 317
Salmonella infection, what is, 1077
Scours, calves get, then die, 753
  change hot lots after, 673
  white, treatment for, 502
Sore mouth in cattle, 1378
Sows go down in the back, 753
Spaying give heifers setback, does, 502
Teats, pimples on, 235
Twin calf, female, usually sterile, 447
Uterus turns inside out, 1238
Vaccinate feeder lambs, 1378
  hogs for mixed infection, 395
  own pigs, can you, 1001
Vaccinates, but hogs die anyway, 753
Vaccination, calfhood, best for Bang's, 1001
Worms in hogs, get rid of, 1299
X-disease strikes his herd, 1145

Monthly Tips

Alfalfa, feed brood sows plenty of, 1293
  for brood sows, plenty of, 1406
  hay topnotch feed for sows, 280
  is top-notch feed for brood sows, 35
  meal cheapest and best source of vitamin A and B-complex vitamins
  or clover hay can be substituted for grain, 1406
Anemia in little pigs, to prevent, 426
Barn built by J. J. Wallace, 140
  horse, into hog farrowing house, remodel, 1130
Bedding important for hog profits, 35
  plenty, will pay good dividends, 35
Brood sow rations, check, 1293
  sow rations important, 1406
  sows should be flushed before breeding, 1293
Brooders, pig, electric, big help in cold weather, 140
Buildings, farm, make best possible use of, 140
  that can be used for several purposes, plan, 903
Bulletins in county extension director's office, read, 140
Cabbage, endives and celery can stand light frost, 1008
Canning time, get prepared for, 426
Castrate and dock early lambs, 280
  little pigs, 426
Cattle guard, how to make a, 710
  in field, fattening, saves labor, 1406
  market, study closely the, 1008
  to go on grass, check possible profits before buying, 426
Chickens from laying hens, keep young, 570
Children, small, always watch, 426
  take care of own things when given help, 280
Clean-up, spring, when fields are unfit to work do, 280
Clods, work down, 426
Cockerels and pullets are losing proposition if overcrowded, 806
Contour lines now, lay, 280
Corn, new, save time in feeding, 1008
  planters, horse-drawn, can be converted to tractor hitch, 426
  storage needs, check, 806
  stored, check, 140
Cows require less work, suggested helps so that, 903
Cribs, portable, in next year's hog pasture, put, 1130
Crop and livestock plans, complete your, 140
Cropping plan, make final decision on, 1293
  plans on paper, put 1950, 1406
Cross, three-way, best way to get vigor in, 1130
Dairying, biggest saving in, made in labor, 903
Dock and castrate early lambs, 280
  and castrate late lambs, when to, 570
Egg profits not quite as good as year ago, 1406
  profits, secret to, 1293
Eggs, first pullet, laid on summer range, 1008
Farm business big enough, is your, 35
Farrowing places, idle horse barns make good, 1293
  time pays, extra care of pigs at, 280
Feed bunks can be made into mobile units, 570
  costs, high quality roughage reduce, 903
  supply room in corner of laying house saves labor, 903
Feeders, self, large size, can cut down choring time, 35
Fences and gates, repair, 1008
Fencing, temporary, needed to raise hogs on clean ground, 1406

Fertilizer recommended, use proper amounts of, 426
Fertilizers should be purchased early, 35
Field, be ready to go to, when weather permits, 280
Fires, check stovepipes, chimneys, stoves and furnaces to avoid, 1406
Flu, guard hogs against, 1293
Footpath from house can save energy, stone, cement or gravel, 570
Fruit trees, spray, for good quality fruit, 570
Garden in early, get your, 426
in field saves hoeing by hand, 806
light watering of, is harmful, 806
Gardens, moisture from snow will benefit, 1406
Gates have many advantages, 710
Gilts, save, from biggest litters, 570
Grade yards and lots, September is good time to, 1008
Grain, stored, check, 426
Granary on wheels saves labor, 710
Grass, go slow on putting cattle on, 280
Gravity can save back work, 806
Grazing, early, cattle, means less total feed, 280
Guards, cattle, suggestions for making, 35
Harrowing corn field delays growth of weeds, 570
Harvest machinery, check, 710
Hay, alfalfa, topnotch feed for sows, 280
baled in barn loft, elevator for putting, 710
in field, plans to stack and feed, 710
storage, get ready for, 570
Heifers need rest period between calvings, 1406
Hen house insulated and ventilated, important to have, 1293
Hens, laying, keep young chickens separate from, 570
Hog gains in summer dependent upon shade and water, 903
market, watch the, 140
profits, extra attention pays off well in, 1008
profits, sanitation one of main keys to, 1406
Hogs, avoid runts among your, 570
need plenty of feed and water for gains at top efficiency, 1008
on clean ground, get ready for putting, 280
Home repairs, fall is time for, 1008
Homework, planned, saves energy, 280
Horse barn remodeled into farrowing house, 1293
stalls, unused, good place to farrow pigs, 140
House cleaning in February cuts down work in spring, 140
Housecleaning time, plan ahead on, 426
Income, top, volume needed to get, 35
Lambs, creep-feed, for June market, 426
for early June market, push, 426
Lice and mange, watch hogs for signs of, 1008
Lime and rock phosphate on stubble, spread, 1293
Litter, deep, saves labor, 1293
Litters, next spring's, get ready for, 1008
Machinery, farm, check over, 570
farm, during winter months, repair, 1293
farm, precautions to take when working around, 570
go over your, 426
Manure, marks contour lines by spreading, 280
on next year's corn land, haul, 1406
Meals during winter, suggestions for, 1293
harvest, plan well in advance, 806
which take minimum of time to prepare, plan, 426
Milk cans need same attention in winter as summer, 35
production, feed and labor make make up 70 to 80 per cent in, 903
Mites, hiding places for, 806
Moving, spring, get ready now for, 140
Mower, adjust and repair, 710
Nests, community, less egg breakage with, 1293
Oats make good emergency hay, 710
seed, clean, before planting, 140
Overcrowding cockerels and pullets is losing proposition, 806
Pasture feed for cattle reduced in freezing weather, 1293
go easy in starting cows on, 570
hog, used rape, for, 426
keep cows off, until grass is four to six inches high, 426
late fall and early spring, seed rye in September for, 1008
sudan grass can make up for short, 806
Pastures are abundant, high protein feeds can be reduced when, 570
Pigs, castrate little, 426
early fall, pay best, believes, 570
fall, breed for, by May 20, 570
fall, push, for early spring market, 35
fall, wean and vaccinate, 1130
for late summer market, push early, 280
have most vigor when crossed three ways, 1130
out of old hog lot, keep little, 710
save those little, 280
spring, get ready in fall for, 1406
spring, sell, when ready for market, 1008
Pipes, water, are protected, see that, 1130
Piping to carry water to hogs on pasture, drain, 1130
Plan and use more head-work and less back-work, 280
Ponds, water, check over, 1130
Poultry feed storage close to feeders, locate, 1008
house, good insulation and efficient ventilation important for good, 1406
raisers should clean out and disinfect brooder house, 1406
slimmer profits seen ahead for, 903
Proteins, feed pigs enough, 570
Prune trees, grapes and berries early, 280
Pruning should be done, when, 140
Pullets, fall profits from, secret to, 1008
Pumpkins, squash and tomatoes should be harvested before frost, 1008
Relax by taking in county fair, 903
Runts can catch up with heavier hogs, 570
Rust damages tools not in use, 1293
Rye, seed, for early spring hog pasture, 280
Sanitation one of main keys to hog profits, 1406
Season, new, get set for rush of, 140
Seed, grass, should be purchased early, 35
Seeding and planting equipment, check, 280
Seedings, check new, 1008
Self-feeders, portable, strong, big help in raising hogs, 570
feeders real labor saver in feeding hogs, 1130
Shade, hogs need plenty of, 806
Sheep, shear, in May, 570
Shelters for livestock, temporary, 1008
Silage, grass, can save feed nutrients, 710
Soil, conserve, fill ditches and start grass waterways to, 1008
washing checked by building terraces, 1130
Spray fruit trees, 570
Spraying noxious weeds, September marks last call for, 1008
Sudan grass can make up for short pasture, 806
Terraces, October last call for building, 1130
Tile and drainage ditch outlets, use long auger for opening, 280
drain, for spring tiling, order, 1130
Tools, suggestions for properly storing, 1293
Volume needed to get top income, 35
Water system should be in tip-top shape before winter sets in, 1130
Weeds in pastures, mow, 806
noxious, September marks last call for spraying, 1008
Will, February good time to make, 140

Research

Antrycide drug to open vast area for beef production, 204
Aphid, green, seek chemical for, 895
Arasan increased stands of grass, 1424
Atoms help study of phosphate, 1424
BHC destroys root-worms, 14
kills many insect pests, 451
more tests on new type, 387
Bacteria, cows', calves need, 606
Baiting vs. dusting for 'hoppers, 128
Bang's vaccine, test new, 894
Beef production, vast new area for, 204
Borax may help alfalfa, 1149
Boron, lack of, alfalfa plants show, 1149
Bugs, garden, kill with rotenone, 451
Calves need cows' bacteria, 606
Castration, bloodless, with elastrator, 1424
Catch-crop boosts corn yield, 1364
Chemicals, when you use, make a written record, 14
Chlorate, new, cuts fire hazard, 1243
Chlordane and toxaphene for grasshopper control, 386
and toxaphene have given good control of harmful soil insects, 805
residues leave crops, 781
Chlorella and yeast cell, 204
Chlorinated camphene, toxaphene is trade-mark name of, 320
Choppers, hay, cut labor cost, 1243
Clover, sweet, threatened by weevils, 204
Cobalt added to sheep rations cut lamb losses, 542
Coccidiosis, new drug fights, 450
Corn borer moths, try trapping, 647
borers in Illinois, controlling, 386
cobs are just one by-product, 895
fertilized, has more protein, 128
field shelling of, may be coming, 647
and soybeans planted in alternate rows, corn yields when, 606
sweet, new hybrid, 320
yield boosted by toxaphene, 204
yield, catch-crop boosts, 1364
Cows need time to eat, 895
Curing, field, wastes feed value, 781
DDT got sweet clover weevil, 704
material suggested as fly-killer where flies built up resistance to, 606
on cows, issue warning about, 386
spray makes more beef, 204
Deer damage, bad taste stops, 128
Electricity from the sun, 128
Fence posts, pentachlorophenol saves, 204
Fertilize meadows for big returns, 320
Fertilizer, fall, good results with, 647
from airplanes, 647
more for your money in, 386
nitrogen, in spray form, 450
Field shelling may be coming, 647
Fire hazard, new chlorate cuts, 1243
Flies, controls, TAT metaphioxyene, 606
resistant, 14
Fly-control insecticide, newly recommended, 1243
killer, less risk with new, 450
killer, Purdue tests new, 1364
tsetse, antrycide expected to lick, 204
Food factory, new, efficient kind of, 204
Frost damage lessened by hormones, 320
Fumigation, soil, convenient, 805
Grain drying without artificial heat, 805
Grasshopper control, chlordane and toxaphene for, 386
Grasshoppers and weeds, spray, at same time, 704
Grass-killers are improved, 805
killer, TCA shows promise as, 704
stands, better, with treatment, 1424
Grubs, control, on area basis, 320
Hog profits, protein helps earn, 1424
Hormone lessens frost damage, 320
Hybrid, new, sweet corn, 320
Insects, soil, chemicals control, 805
Iochief new hybrid sweet corn, 320
Labor cost cut by hay choppers, 1243
Lamb losses, mineral mixture cut down, 542
Legumes, spraying of, means more seed, 387
Lespedeza looks good, new Iowa, 1424
Lindane effective in tests, 1243
Mastitis, new culture may lick, 1364
Milk, less, if cows fed once a day, 1424
more, with thyroprotein, 894
synthetic, for orphan animals, 894
Minerals, trace, good results from, 542
Molasses feed from wasted wood, 204
Moths, corn borer, try trapping, 647
Mustard in peas, hunts killer for, 451
Nytron new wetting agent in sprays, 387
Oats, treat, 14
Pasture improvement, lespedeza has definite place for, 1424
Pastures, rest, it pays to, 704
Penta, double post life with, 204
Phosphate, atoms help study of, 1424
rock, rates well, 542
Pig gains, complete rations boost, 1364
Potato, sweet, new, farmer finds, 895
Preservatives for grass silage, 128
Protein, fertilized corn has more, 128
helps earn hog profits, 1424
Rations, complete, boost gains, 1364
Rat-killing chemical, new, 894
Record, make a written, whenever you use chemicals, 14
Research at state fair, latest in, 894
Root-worms, BHC destroys, 14
Rotenone, kill garden bugs with, 451
Scale, electronic, for livestock, 1149
Seed treatment also speeds growth, 320
treatment for wire-worms, 647
Silage, grass, preservatives for, 128
spoilage, new method reduces, 1022
Soda for hogs, to study value of, 1149
Soybean oil for calves, test, 1364
Soybeans may need iron, 320
Spergon acts as growth stimulant, 320
Spraying, pre-emegence, still experimental, 542
pre-emergence, to control weeds, 606
Strawberry, new, has wild taste, 1022
Sun, research under way to determine how to capture energy from, 128
Synthetic milk for orphan animals, 894
TAT meta-phioxyene controls flies, 606
TCA plentiful by 1950, 647
shows promise as grass-killer, 704
TEPP gives control of green aphids, 895
Tapeworm, poultry, drug-gets, 894
Thyroprotein, issue warning on, 451
more milk with, 894
Toxaphene boosts corn yield, 204
common name for chlorinated camphene, 320
Urea as part of protein ration of cattle and sheep, 542
Oklahoma reports on, 542
Vaccine, Bang's, test new, 894
Vitamin, discover valuable new, 128
E "fertility" vitamin, 14
Vitamin E, powder, interesting results in tests of, 14
Weed-killer, chlorate, new, 1424
Weeds and grasshoppers, spray, at same time, 704
are as bad as mortgage, 450
grassy, TCA for control of, 647
Weevil, sweet clover, DDT got, 704
threatens sweet clover, 204
Wetting agent for sprays, new, 387
Wheat varieties, winter, test best, 1424
Worms, hog raisers feed tons of, 1022
sodium fluoride treatment would eliminate, 1022
wire, seed treatment for, 647

Service Bureau

Aluminum ware make food bad, does, 757
Assessable, contract payments, 654
Assessor must show tax record, 1076

Hog marketing needs improvement, says, 652
price, why peg land values to, 1425
shooting stopped, wants, 1450
support at 20 cents, wants, 1312
supports, asks about, 1246
Horse and buggy days, doesn't want, 390
Hunter away, asks how to keep, 144
Hunters, city, where are, 391
Labor, farmer defends, 1425
Land, wants only farmers to own, 768
Landlord complains about tenant, 390
is no Scrooge, 144
okay, says tenant, 841
Landlord-tenant "rating bureau", wants, 390
to post bond, too, wants, 236
Laundry in the living-room, 237
Listen to old man, he tells sons, 1360
Litters average nearly 18 pigs, 58
Minorities, doesn't like slap at, 237
Neighbor takes us to task, 428
Oleo fight, dairymen indifferent in, 145
Owner-renter fight silly, 1140
Paper read by readers a long time, 145
Peace offensive, wants U. S. to launch, 517
Reader for 60 years, he's been, 58
Rent too high, thinks some farms, 236
Reorganization, blames school lobby for, 768
Roads, blames supervisors for mud, 429
gravel, bog down, too, 604
Minnesota, no bargain, 605
mud, he's tired of, 237
mud, says bus can't run on, 293
mud, why not fix first, 604
no problem in Minnesota, 429
soft, can stop travel on, 815
Rotation, three-year, for all land, 605
Saluters, non, explains viewpoint of, 1246
School, children in, half a day, 293
far-away, cuts activities, 391
folks, big, make him mad, 429
forced to close small, 888
good, interest of people makes, 652
small, new arguments for, 292
small, out of date, thinks, 292
Schoolhouse, little red, likes, 390
Schools, high, favors larger, 293
located in wrong places, 516
rural, likes articles on, 815
should tend to business, 428
small, suggests solution for, 1140
small, wants help for, 390
torn down, doesn't want, 292
Senator, wants to retire, 841
Silo in 1895, took days to fill, 714
opposes cash rent for, 1091
Social security for farmers, 1312
security for retired farmers, 144
security, no worries about, 1360
security plan, has his own, 516
Sows, sell 20 per cent of, 293
Supervisors, wants one-year term for, 428
Tax, land, asks about graduated, 1246
Taxes, school, too high, says, 768
unhappy about his, 1312
Teachers, better, willing to pay for, 516
Tenant, bathless, should keep still, 145
Tenants undeserving, says many, 429
Thresher, steam, recalls days of old, 1140
"Town" women, doesn't like rule on, 1021
Tractors, blames, for farm problem, 1360
Travel, can stop, on soft roads, 815
Uncle Henry, enjoyed hearing, 58
Wages, good city, help farmers, 768
Wallaces' Farmer and Iowa Homestead, 1905 issue of, 516
War, world government to stop, 768
Water in hurry, says he can find, 1091
running, says husband blocks, 950
Weed cutting, can't find time for, 604
law no good, says, 1312

Manufacturers of What's New

Acme Welding & Engineering Co., Cudahy, Wis., box (self-unloading), 1376

Albertson & Co., Inc., Sioux City, Iowa, drill (electric), 1168

Albertson & Co., Sioux City, Iowa, grinder, 1376

Algoma Foundry & Machine Co., Algoma, Wis., unloading machine, 550

Aluminum Co. of America, Gulf Bldg., Pittsburgh, Penn., aluminum nails, 1426

Andison Company, Rockford, Illinois, storage cabinet, 1376

Armco Drainage and Metal Products Co., Middletown, Ohio, floor (drying, for grain bin), 922

Automatic Industries, Inc., 114 W. 11th St., Kansas City 6, Mo., rake (side-delivery), 162

Babson Brothers Co., 2815 W. 19th St., Chicago 23, Illinois, stanchion (cow), 92

Badger Machine Company, Winona, Minn., snow plow (two-way), 1376

Badger Machine Company, Winona, Minn., trencher (one-man), 780

Belmer Manufacturing Co., Fort Dodge, Iowa, hinge (for sprayer), 400

Beloit Works of Fairbanks, Morse & Company, Beloit, Wis., magnetos, 816

Bishop Manufacturing Co., Carlisle, Iowa, sprayer, 676

Bostwick Laboratories, Bridgeport 5, Conn., fire extinguisher, 92

Builders Manufacturing Co., Bremen, Ind., ad-a-bath, 34

Calhoun Manufacturing Co., Cedar Falls, Iowa, steps (tractor), 857

Coats Loaders & Stackers Co., Fort Dodge, Iowa, stalk cutter, 162

Community Industries Assn., 811 S. Hamilton St., Sullivan, Ill., insulator, 816

Conde Milking Machine Co., Sherrill, N. Y., washer (milker), 92

Continental Belton Company, Belton, Texas, wire winder, 322

Dairy Equipment Co., 1444 East Washington Ave., Madison, Wis., milk-can storage rack, 162

Dazey Corporation, St. Louis 7, Mo., churn, 922

Deere, John, Co., Moline, Ill., stalk cutter, 162

Deere, John, Co., Moline, Ill., tractor (track-type), 1168

Deere, John, Co., Moline, Ill., tractor, 402

Dry Clime Lamp Corp., Greensburg, Ind., heater, 402

Electric Fence Post Co., Graettinger, Iowa, electric fence, 676

Energy Farm Equipment Co., Monticello, Iowa, hoist, 726

Fleischer-Schmid Corp., Columbus, Neb., hoist, 1168

Flinchbaugh Co., York, Penn., unloader, 780

Frank Manufacturing Co., Inc., Mentone, Ind., disk-jointer, 322

Fuller Mfg. Co., Centerville, Iowa, wagon dump, 780

G & D Manufacturing Co., Streator, Ill., hitch, tractor, 1168

Galloway Company, Inc., Waterloo, Iowa, spreader, 34

Gilman Engineering & Manufacturing Co., Janesville, Wis., "ripper", 550

Globe Milker Co., East First & Court, Des Moines, Iowa, milk cooler, 608

Great American Farm Implement Corp., 39 S. La Salle St., Chicago 3, Ill., corn picker snout, 1250

Guard-It Manufacturing Co., 1501 S. Laflin, Chicago, Ill., pasteurizer (home), 1026

Habco Manufacturing Co., Columbus, Nebr., corn crib, 1250

Hall Industries, Inc., Chicago 4, Ill., clothesline unit, 402

Harker Sales Co., Dubuque, Iowa, deep fat fryer ("Fryryte"), 974

Helix Corporation, Hebron, Ind., wagon box with movable floor, 608

Horn Manufacturing Co., Fort Dodge, Iowa, grapple fork, 816

Horn Manufacturing Co., Fort Dodge, Iowa, shredder, 1316

Howard Hanson Co., Beloit, Wis., spraying unit, 241

Howry-Berg Steel & Iron Works, Inc., 2949 Speer Blvd., Denver 11, Colo., spreader (manure), 1316

Illinois Foundry Co., Springfield, Ill., tank heater, 1376

Illinois Wire & Manufacturing Co., Joliet, Ill., crib cover, 1168

Illinois Wire & Manufacturing Co., Joliet, Ill., silo, 816

Industrial Engineering and Mfg. Co., Brimfield, Ind., elevator (farm), 1026

International Harvester Co., 180 N. Michigan Ave., Chicago, Ill., remote control unit, 1426

R. N. Jacobi Company (distributor), Milwaukee, Wis., hitch pin (Chief Shawano), 922

James Mfg. Co., Fort Atkinson, Wis., barn cleaner, 1376

C. C. Jolly Co., Owatonna, Minn., nests (double-deck), 1168

Judson Bros. Co., Collegeville, Penn., rake (side-delivery), 476

King-Hamilton Co., Ottawa, Ill., elevator feeder, 780

Krause Plow Corp., Hutchinson, Kan., disk plow, 550

O. W. Kromer Co., Minneapolis, Minn., sprayers (trailer-type), 400

Lancaster Pump & Manufacturing Co., Lancaster, Penn., sump pump, 402

Louden Machinery Co., Fairfield, Iowa, hay sling, 816

Lundell Manufacturing Co., Meriden, Iowa, dozer blade, 1426

Majestic Manufacturing Co., St. Louis, Mo., range (dual-purpose), 1250

Martin Steel Products Corp., Mansfield, Ohio, hay storage unit, 1250

Massey-Harris Co., Racine, Wis., sprayer (front mounted), 400

McKinley Manufacturing Co., Monticello, Ill., fertilizer spreader box, 726

Melaire Distributing Co., 420 Lexington Ave., New York, N. Y., brush (revolving), 726

Mid-States Equipment Co., Lake View, Iowa, cultivator, 780

Mid-States Equipment Co., Lake View, Iowa, hammermill attachment, 857

Miller Products Co., Chicago 11, Ill., snacker, 476

Mississippi Engineering Co., Grand Mound, Iowa, trench digger, 322

Mississippi Engineering Co., Inc., Grand Mound, Iowa, coupling, 92

New Holland Metals Co., Mountville, Penn., clothes prop, 92

Nu-Flex Corporation, 1133 Broadway, New York 10, N. Y., make-a-rug, 162

Owens Fiberglass Corp., Nicholas Bldg., Toledo 1, Ohio, "Thermo-Keep" lunch carrier, 974

F. H. Peavy & Co., Minneapolis, Minn., nozzle (Fargo sprayer), 400

Porter-Cable Machine Co., Syracuse 8, N. Y., labor-saving saw, 34

Power Production Co., 10 S. La Salle St., Chicago 3, Ill., spreader (fertilizer), 476

Power Production Co., 10 S. La Salle St., Chicago, Ill., spreader (fertilizer), 1316

F. B. Recker Co., Hopkinton, Iowa, wagon box, 1026

Reda Pump Co., Bartlesville, Okla., under-water pump, 608

Rice-McGraw Co., 2900 Euclid Ave., Cleveland, Ohio, plow-disk-harrow implement, 550

Rilco Laminated Products, Inc., 2581 First Nat. Bank Bldg., St. Paul, Minn., wagon box, 676

Rochelle Manufacturing Corp., Monmouth, Ill., sprayer (high-clearance), 550

Rocklin Mfg. Co., Sioux City, Iowa, mower-shredder combination, 1250

Rocklin Mfg. Co., Sioux City, Iowa, saw (gas engine), 241

H. C. Schaefer Co., South Amana, Iowa, hay baler attachment, 857

Shawano Engineering Co. (manufacturer), hitch pin (Chief Shawano), 922

Siebring Manufacturing Co., George, Iowa, corn stalk cutter, 476

Silbaugh Manufacturing Co., Humboldt, Iowa, fuel gauge, 922

Silent Glow Burner Corp., Hartford, Conn., crop dryer, 1026

Smalley Manufacturing Co., 557 York St., Manitowoc, Wis., wagon unloader, 676

Starline, Inc., Haward, Ill., salt holder, 1426

Superior Separator Co., Minneapolis, Minn., wagon box (self-unloading), 857

Super Structures, Inc., 1015 South Jefferson Ave., Albert Lea, Minn., endgate (combination), 974

Texas Fence Co., Dallas, Texas, silo, 816

Tractor Cab Co., Arlington, Ind., windshield (tractor cab), 241

Tractor Specialties Co., Milwaukee, Wis., brake for tractors, 34

C. J. Turley Co., 210 E. Front St., Bloomington, Ill., spreader (fertilizer), (gearless), 241

Vermeer Manufacturing Co., Pella, Iowa, power take-off, 1376

Von Ruden Manufacturing Co., Claremont, Minn., saw (chain), 1316

E. M. Walgenbach Co., Fond du Lac, Wis., cultivator (pull-type), 1426

Walsh Manufacturing Co., Charles City, Iowa, booms for sprayer, 400

Charles G. Walters Manufacturing Co., Storm Lake, Iowa, hitch (tractor), 1316

Wincharger Corp., Sioux City 6, Iowa, grinder, 1376

Winpower Manufacturing Co., Newton, Iowa, generator, 608

Winpower Manufacturing Co., Newton, Iowa, lawn mower, 322

Yeoman Corp., Merchandise Mart, Chicago 3, Ill., ironing board (adjustable), 726

What's New

Ad-A-Bath (building with bathroom fixtures), Builders Manufacturing Co., 34

Barn Cleaner (shuttle-action barn cleaner), James Manufacturing Co., 1376

Booms (two sizes for sprayer), Walsh Manufacturing Co., 400

Box (self-unloading hydraulic powered box), Acme Welding & Engineering Co., 1376

Brake (for tractors—uses double disc principle), Tractor Specialties Co., 34

Brush (revolving; turned by water pressure), Melaire Distributing Co., 726

Chain saw (uses power take-off), Von Ruden Manufacturing Co., 1316

Churn (electric motor at top of unit), Dazey Corporation, 922

Clothes prop (aluminum prop for clothes lines), New Holland Metals Co., 92

Clothesline unit (clothesline fastener & tightener), Hall Industries, Inc., 402

Corn crib (for ear corn or chopped hay), Habco Manufacturing Co., 1250

Corn picker snout, Great American Farm Implement Corp., 1250

Corn stalk cutter (for destroying borers in old stalks), Siebring Manufacturing Co., 476

Coupling (adapter for power take-off shafts), Mississippi Engineering Co., 92

Cover for cribs (asphalt cover for bins, cribs, silos), Illinois Wire & Manufacturing Co., 1168

Crib cover (asphalt cover for bins, cribs, silos), Illinois Wire & Manufacturing Co., 1168

Crop dryer (with specially designed oil burner), Silent Glow Burner Corp., 1026

Cultivator (for Farmall H or M tractors), Mid-States Equipment Co., 780

Cultivator (pull-type), E. M. Walgenbach Co., 1426

Deep fat fryer ("Fryryte"), Harker Sales Co., 974

Disk plow (one-way, for Farmall H or M tractor), Krause Plow Corp., 550

Disk-Jointer (disk type coulter), Frank Manufacturing Co., 322

Dozer blade (fits standard built loaders), Lundell Manufacturing Co., 1426

Drill (electric; for grinding, brushing, cleaning, drilling), Albertson & Co., Inc., 1168

Drying floor (extra floor for grain bin), Armco Drainage and Metal Products Co., 922

Electric fence (portable; has no posts in ground), Electric Fence Post Co., 676

Elevator (small farm), Industrial Engineering & Mfg. Co., 1026

Elevator feeder (with wide flare), King-Hamilton Co., 780

End-board unloader (for wagon box), F. B. Recker Co., 1026

Endgate (combination; for wagon box), Super Structures, Inc., 974

Fargo sprayer (3 point nozzle feature), F. H. Peavy & Co., 400

Feeder (elevator; has wide flare), King-Hamilton Co., 780

Fire extinguisher (Hero), Bostwick Laboratories, 92

Floor, Steelox (extra drying floor for grain bin), Armco Drainage & Metal Products Co., 922

"Fryryte" (deep fat fryer), Harker Sales Co., 974

Fuel gauge (for tractors), Silbaugh Manufacturing Co., 922

Generator (to be attached to tractor in case of power failure), Winpower Manufacturing Co., 608

Grapple fork (new attachment for tractor loaders), Horn Manufacturing Co., 816

Grinder (bench grinder with grinding wheels), Albertson & Co., 1376

Grinder (has automatic feed device), Wincharger Corp., 1376

Hammermill attachment (power take-off turns mill), Mid-States Equipment Co., 857

Hay baler attachment (expansion control unit), H. C. Schaefer Co., 857

Hay sling (handles chopped, baled or loose hay), Louden Machinery Co., 816

Hay storage unit (all-steel hay storage unit), Martin Steel Products Corp., 1250

Heater (for pigs or chicks), Dry Clime Lamp Corp., 402

Heater, tank (delivers heat thru steel tubing), Illinois Foundry Co., 1376

Hinge (boom hinge for sprayer), Belmer Manufacturing Co., 400

Hitch pin (Chief Shawano), Shawano Engineering Co. (manufacturer), R. N. Jacobi Co. (distributor), 922

Hitch, tractor (self-aligning tractor hitch), G & D Manufacturing Co., 1168

Hitch, tractor (self-locking tractor hitch), Charles G. Walters Manufacturing Co., 1316

Hoist (operated by hydraulic power), Energy Farm Equipment Co., 726

Hoist (tractor hoist for lifting), Fleischer-Schmid Corp., 1168

Insulator (for electric fence), Community Industries Assn., 816

Ironing board (adjustable), Yeoman Corp., 726

Lawn mower (gas engine, sickle-bar action), Winpower Manufacturing Co., 322

Lunch carrier ("Thermo-Keep"), Owens Fiberglass Co., 974

Magneto (for medium and heavy duty engines), Beloit Works of Fairbanks, Morse & Company, 816

Make-A-Rug (nu-flex material folders), Nu-Flex Corp., 162

Milk-can storage rack, Dairy Equipment Co., 162

Milk cooler (uses water-spray method), Globe Milker Co., 608

Mower-shredder combination, Rocklin Manufacturing Co., 1250

Nails (aluminum), Aluminum Company of America, 1426

Nests, double-deck (galvanized steel poultry nest), C. C. Jolly Co., 1168

Nozzle (Fargo sprayer), F. H. Peavy & Co., 400

Pasteurizer (automatic home), Guard-It Manufacturing Co., 1026

Plow, disk (one-way, for Farmall H or M tractor), Krause Plow Corp., 550

Plow-disk-harrow implement (one trip, prepares seed bed), Rice-McGraw Co., 550

Power take-off (take-off for shellers or grinders), Vermeer Manufacturing Co., 1376

Prop (clothes; aluminum prop for clothes lines), New Holland Metals Co., 92

Pump (centrifugal type pump; sump pump), Lancaster Pump & Mfg. Co., 402

Pump, under water (electric motor, centrifugal action), Reda Pump Co., 608

Rack (for milk-can storage), Dairy Equipment Co., 162

Rake (side-delivery; no power take-off), Automatic Industries Inc., 162

Rake (side-delivery—rake and tedder driven by own wheels), Judson Bros. Co., 476

Range, dual-purpose (for cooking or heating kitchens), Majestic Manufacturing Co., 1250

Remote control unit (hydraulic control for implements), International Harvester Co., 1426

Ripper (rips out sewing machine stitches), Gilman Engineering & Mfg Co., 550

Rug, made a (Make-A-Rug), Nu Flex Corp., 162

Salt holder (for dairy barns), Starline, Inc., 1426

Saw, Porter-Cable Machine Co., 34

Saw, chain, Von Ruden Manufacturing Co., 1316

Saw (gas engine), Rocklin Mfg. Co., 241

Shredder (for grinding up corn stalks), Horn Manufacturing Co., 1316

Silo (portable bin-silo; reinforced with steel), Texas Fence Co., Illinois Wire & Mfg. Co., 816

Snacker (for cooking food in toaster), Miller Products Co., 476

Snow Plow (two-way), Badger Machine Co., 1376

Sprayer (front mounted sprayer), Massey-Harris Co., 400

Sprayer (high clearance, made from small tractor), Rochelle Manufacturing Corp., 550

Sprayer (with elevated boom; power unit 30 inches wide), Bishop Manufacturing Co., 676

Sprayers (trailer-type; six models), O. W. Kromer Co., 400

Spraying unit, Howard Hanson Co., 241

Spreader, Galloway Co., Inc., 34

Spreader, fertilizer, McKinley Manufacturing Co., 726

Spreader (fertilizer), Power Production Co., 1316

Spreader (fertilizer), Power Production Co., 476

Spreader (fertilizer), C. J. Turley Co., 241

Spreader, manure, Howry-Berg Steel & Iron Works, 1316

Stalk cutter (for grinding up stalks), John Deere Co., 162

Stalk cutter (to grind up stalks), Coats Loaders and Stackers Co., 162

Stanchions (cow; self-locking), Babson Bros. Co., 92

Steps (attached to tractor), Calhoun Manufacturing Co., 857

Storage cabinet (cabinet with milk filter), Andison Co., 1376

Tank heater (delivers heat thru steel tubing), Illinois Foundry Co., 1376

"Thermo-Keep" lunch carrier, Owens Fiberglass Co., 974

Tractor (designed for large acreage farmers), John Deere Co., 402

Tractor (track-type), John Deere Co., 1168

Tractor steps, Calhoun Manufacturing Co., 857

Trench digger (fits two-plow tractors), Mississippi Engineering Co., 322

Trencher, one-man (used for tiling, ditching, trench digging), Badger Machine Co., 780

Unloader (uses canvas to pull contents of wagon out), Flinchbaugh Co., 780

Unloader, wagon (fits any box without rebuilding), Smalley Manufacturing Co., 676

Unloading machine, Algoma Foundry & Machine Co., 550

Wagon box (front end-board unloads), F. B. Recker Co., 1026

Wagon box (has movable floor for unloading), Helix Corp., 608

Wagon box (removable and reversible sides), Rilco Laminated Products, Inc., 676

Wagon box (self-unloading), Superior Separator Co., 857

Wagon dump (works manually; can lift five tons), Fuller Manufacturing Co., 780

Wagon unloader (fits any box without rebuilding), Smalley Manufacturing Co., 676

Washer (milker), Conde Milking Machine Co., 92

Windshield (for tractor cab), Tractor Cab Co., 241

Wire winder (for barbed or chain-row wire), Continental Belton Co., 322
